WHAT'S NEW IN GI PHARMACOLOGY COURSE

Friday, October 5, 2018 | 1:45 pm - 5:15 pm | Terrace Ballroom 2-3

Course Directors: Brooks D. Cash, MD, FACG, and William D. Chey, MD, FACG

COURSE DESCRIPTION

Attend ACG's What's New in GI Pharmacology Course for an intensive review of key GI pharmacology, including comparisons and contrasts between conventional and emerging pharmacological treatment options. This course will consist of lectures and Q & A sessions on such topics as use of biosimilars to treat IBD, treatment options for functional GI disorders, review of new anticoagulants, a GI's guide to vaccinations, pharmacological therapy during pregnancy, treatment options for primary biliary cirrhosis, and medico-legal issues in pharmacology.

The course is designed primarily for physicians in GI/hepatology, as well as physician assistants, nurse practitioners, and other advanced practice healthcare professionals interested in the latest information on state-of-the-art treatment of these illnesses. **Register for the course separately or as part of the Three-Day Clinical Review (see page 24).**

FACULTY

Michelle A. Anderson, MD, MSc

Associate Professor, University of Michigan, Ann Arbor, MI

Brooks D. Cash, MD, FACG

Professor of Medicine, University of Texas McGovern Medical School, Houston, TX

William D. Chey, MD, FACG

Nostrant Professor of Gastroenterology & Nutrition, University of Michigan; Director, GI Physiology Lab, Michigan Medicine, Ann Arbor, MI

Phillip K. Henderson, DO

Assistant Professor of Medicine, University of South Alabama, Mobile, AL

John Inadomi, MD, FACG

Division Head, Division of Gastroenterology, University of Washington School of Medicine, Seattle, WA

David T. Rubin, MD, FACG

Joseph B. Kirsner Professor of Medicine; Chief, Section of Gastroenterology, Hepatology and Nutrition; Co-Director, Digestive Diseases Center, University of Chicago Medicine, Chicago, IL

Stuart J. Spechler, MD, FACG

Chief, Division of Gastroenterology; Co-Director, Center for Esophageal Diseases, Baylor University Medical Center at Dallas, Dallas, TX

Lisa L. Strate, MD, MPH, FACG

Associate Professor, Harborview Medical Center, Seattle, WA

COURSE AGENDA

1:45 pm Welcome and Introductions

Brooks D. Cash, MD, FACG, and William D. Chey, MD, FACG

1:50 pm Functional Dyspepsia: Current Pharmacologic Approaches

William D. Chey, MD, FACG

Identify the epidemiology, diagnostic processes, and best practices for the management of functional dyspepsia.

2:10 pm Contemporary Review of PPI Therapy: What You and Your Patients Need to Know

Stuart J. Spechler, MD, FACG

Discuss the clinical evidence for the use of PPIs in a variety of clinical scenarios, and review current evidence regarding short- and long-term safety of PPIs.

2:30 pm Approach to Symptomatic Diverticular Disease

Lisa L. Strate, MD, MPH, FACG

Describe the various presentations of symptomatic diverticular disease, and review current therapeutic approaches.

2:50 pm Antibiotic Prophylaxis for the Gastroenterologist

Michelle A. Anderson, MD, MSc

Explain the evidence for and against the application of antibiotic prophylaxis in patients with gastroenterological diseases or undergoing endoscopic procedures.

3:10 pm Q & A**3:25 pm Break****3:40 pm Pharmacologic Approach to Chronic Constipation and IBS-C**

Brooks D. Cash, MD, FACG

Define current and emerging pharmacologic treatment options for constipation, including chronic idiopathic constipation, opioid-induced constipation, and IBS-C.

4:00 pm Medical Management of Fatty Liver Disease

Phillip K. Henderson, DO

Discuss the issues and interventions currently available for the management of patients with fatty liver disease, with a focus on available pharmacologic approaches.

4:20 pm Chemoprevention for Gastrointestinal Malignancies

John M. Inadomi, MD, FACG

Identify the evidence for and against chemoprevention for malignancies of the gastrointestinal tract and provide recommendations for appropriate use.

4:40 pm Personalized IBD Management: Best Practices for Therapeutic Drug Monitoring and for Managing Treatment Failures

David T. Rubin, MD, FACG

Outline therapeutic drug monitoring in IBD patients, and how to optimize immunosuppressive drug therapy with regard to adjusting therapy in class or switching classes of biologics.

5:00 pm Q & A**5:15 pm Course Adjourns**

Maximize Your Learning and *\$ave!*

when you register for ACG's

Three-Day Comprehensive Clinical GI Review

FRIDAY, OCTOBER 5	
GI Pathology and Imaging Course 7:00 am - 12:30 pm	What's New in GI Pharmacology Course 1:45 pm - 5:15 pm
SATURDAY & SUNDAY, OCTOBER 6-7	
Postgraduate Course 7:50 am - 5:00 pm	
Your registration also includes:	
✓ Self-Assessment Test PRINTED BOOK with 300 questions plus comprehensive, annotated answers!	
✓ Up to 21.5 hours of CME and MOC, plus an additional 35 hours of CME and MOC for successful completion of the Self-Assessment Test	
✓ Access to the slide sets for all presentations with the ACG Mobile app	

Register for the Three-Day Clinical Review and **SAVE UP TO 10%** On All Three Courses

Three-Day CLINICAL REVIEW

Your Comprehensive Clinical Update
Friday–Sunday | October 5–7, 2018

If you are looking for a comprehensive clinical review and don't want to spend too much time away from the office, attend ACG's Three-Day Clinical Review. The Three-Day Clinical Review includes the GI Pathology and Imaging Course and the What's New in GI Pharmacology Course on Friday, plus the popular weekend Postgraduate Course. Leading experts in the subspecialties will delve deeper into topics of interest to you and address the common and not-so-common GI disorders you encounter in practice.

FRIDAY, OCTOBER 5, 2018

(DAY 1 - MORNING)

GI Pathology and Imaging Course | Terrace Ballroom 2-3

ACG's Pathology and Imaging in the Evaluation of Gastrointestinal Disease Course includes four mini-sessions, each devoted to new developments and old problems of special interest to the clinical gastroenterologist in pathology and imaging in a specific portion of the GI tract. A popular biennial offering of the College, this year's course expands the mini-session concept to include a combination lecture by a pathologist and a radiologist with the addition of correlated endoscopic images.

FRIDAY, OCTOBER 5, 2018

(DAY 1 - AFTERNOON)

What's New in GI Pharmacology Course | Terrace Ballroom 2-3

Attend the What's New in GI Pharmacology Course for an intensive review of key GI pharmacology topics, including comparisons and contrasts between conventional and emerging pharmacological treatment options.

SATURDAY, OCTOBER 6 - SUNDAY, OCTOBER 7, 2018

(DAYS 2 AND 3 - ALL DAY)

Postgraduate Course | Terrace Ballrooms

With the need to remain abreast of the many new and emerging advancements in the field of gastroenterology and the patient volume increasing as the population ages, the clinical gastroenterologist is challenged more than ever to deliver the best patient care. Research across gastroenterology and hepatology areas is progressing at a rapid pace. Advances in technology, diagnostic modalities, and therapeutic options have had a positive impact on the management of many GI diseases. Scientific education, based on foundational knowledge and clinical skills, the communication of practical methods for treatment, and the ability to integrate the newest tools in diagnosis with the latest therapeutic/treatment options, are key necessities for the GI clinician to deliver top-quality patient care.

YOUR REGISTRATION INCLUDES

- ✓ Two-Day Postgraduate Course
- ✓ What's New in GI Pharmacology Course
- ✓ Pathology and Imaging in the Evaluation of Gastrointestinal Disease Course
- ✓ Self-Assessment Test PRINTED BOOK with 300 questions, plus comprehensive, annotated answers!
- ✓ Access to the slide sets for all presentations with the ACG Mobile app
- ✓ Up to 21.5 hours of CME credit and MOC points!

MEMBER TYPE	REGISTRATION FEE
Physician	\$850
Resident / Trainee / Candidate	\$350
Advanced Practice Provider / Associate	\$650
NON-MEMBER TYPE	
Physician	\$1050
Exhibitor / Guest / PharmD / PhD	\$1050
Resident / Trainee	\$700
NP / PA / Allied Health / Practice Manager	\$950

SAVE UP TO 10% when you bundle the two Friday courses with the Postgraduate Course and register for the **THREE-DAY CLINICAL REVIEW**
