FRIDAY, OCTOBER 25

GI Pathophysiology Course

7:00 am - 12:30 pm

What's New in GI Pharmacology Course

1:45 pm - 5:15 pm

SATURDAY & SUNDAY, OCTOBER 26-27

ACG's Postgraduate Course

7:50 am - 5:00 pm

Your registration also includes:

- ✓ Printed Self-Assessment Test book with 300 questions plus comprehensive, annotated answers!
- ✓ Up to 22.25 hours of CME and MOC, plus an additional 35 hours of CME and MOC for successful completion of the Self-Assessment Test
- ✓ Access to the slide sets for all presentations with the Annual Meeting app

Register for the Three-Day Clinical Review and **SAVE UP TO 10%** On All Three Courses

Three-Day Clinical Review

Friday-Sunday
October 25 - 27, 2019

Your Comprehensive Clinical Update

If you are looking for a comprehensive clinical review and don't want to spend too much time away from the office, attend ACG's Three-Day Clinical Review. The Three-Day Clinical Review includes the GI Pathophysiology Course and the What's New in GI Pharmacology Course on Friday, plus the popular weekend Postgraduate Course. Leading experts in the subspecialties will delve deeper into topics of interest to you and address the common and not-so-common GI disorders you encounter in practice.

FRIDAY, OCTOBER 25, 2019

(Day 1 - Morning)

GI Pathophysiology Course

Gain a better understanding of gastrointestinal disease processes and their impact on clinical presentation of patients when you attend the GI Pathophysiology Course. Experts will review the underlying causes and clinical implications of commonly encountered diseases seen in practice. Apply concepts to care when you attend the GI Pathophysiology Course. This half-day course illustrates the mechanisms behind novel diagnostic strategies, helps to formulate a plan using appropriate testing methodologies, and offers practical implementation strategies.

FRIDAY, OCTOBER 25, 2019

(Day 1 - Afternoon)

What's New in GI Pharmacology Course

Attend the What's New in GI Pharmacology Course for an intensive review of key GI pharmacology, including comparisons and contrasts between conventional and emerging pharmacological treatment options.

SATURDAY, OCTOBER 26 - SUNDAY, OCTOBER 27, 2019

(Days 2 and 3 - All Day)

Postgraduate Course

Attend "Practicing State-of-the-Art Gastroenterology in 2019" and leave with practical take-away points that you can implement in practice. Learn better ways to integrate the newest tools in diagnosis with the latest therapeutic/ treatment alternatives to achieve optimal outcomes, improve your awareness and ability to incorporate patient care decision-making issues relating to common and not-so-common GI patient conditions, and enhance your overall capacity to frame effective disease management strategies in your practice.

YOUR REGISTRATION INCLUDES

- ✓ Two-Day Postgraduate Course
- ✓ What's New in GI Pharmacology Course
- ✓ GI Pathophysiology Course
- ✓ Self-Assessment Test PRINTED BOOK with 300 questions, plus comprehensive, annotated answers!
- ✓ Access to the slide sets for all presentations with the ACG 2019 meeting app
- ✓ Up to 22.25 hours of CME credit and MOC, plus an additional 35 hours of CME and MOC for successful completion of the Self-Assessment Test!
