Exhibit Hall Scavenger Hunt

Limited to 10 Exhibitors

The Scavenger Hunt is a gamification feature in the meeting app, which attendees depend on to access their itinerary, speaker slides, exhibitor details, abstracts, and more. While playing the Scavenger Hunt, attendees will visit your booth, scan a QR code and answer a multiple choice question that you provide. Questions can be associated with your company, product or general gastroenterology knowledge. Attendees will receive points if the question is answered correctly while an incorrect response requires them to re-scan and try again. Top players will receive prizes from the ACG. You may also donate prizes to encourage participation. ACG will support the Exhibit Hall Scavenger Hunt through signage in high traffic areas of the Convention Center and an ad in the ACG 2019 Meeting News and the Official Exhibit Guide.

Take advantage of this unique opportunity to provide a complimentary professional headshot to attendees. The headshot station will be located on the Exhibit Hall floor and will be open during educational session breaks. Trainees, ACG leaders, and anyone in need of an updated headshot will appreciate the opportunity to receive a complimentary photo while at ACG 2019. In addition to the standard sponsorship recognition, your sponsorship will also include signage with your logo in the headshot station and in another high traffic area of the Convention Center directing attendees to the booth, a 6' draped table in the headshot area where you are welcome to place company information, and recognition of your sponsorship in an ad in the Meeting News.

EXHIBITOR RULES & REGULATIONS

All matters and questions not specifically covered by these Rules and Regulations are subject to the decision of the American College of Gastroenterology. Exhibitors agree to comply with all subsequent reasonable rules adopted or changed by the College. Any changes will be provided to exhibitors in writing.

Advertising

The American College of Gastroenterology must approve any use of the ACG logo, ACG 2019 meeting logo, taglines, trademarks or trade names prior to any exhibitor use. The ACG must approve the language in any advertisement which mentions the American College of Gastroenterology. Please contact Elaine McCubbin at emccubbin@gi.org for additional information.

Americans with Disabilities Act

In compliance with the Americans with Disabilities Act, the ACG will make all reasonable efforts to accommodate persons with disabilities. Please contact ACG's VP, Meetings & Exhibitions, Elaine McCubbin at emccubbin@gi.org, no later than August 23, 2019, to make arrangements. Exhibitors are responsible for complying with the ADA requirements within their assigned booth space.

Badge Requests

Exhibitors may request an unlimited number of Exhibit Hall passes at no charge to their company. These badges will only allow company representatives onto the trade show floor. Any exhibitor who wants to attend the scientific sessions must register for the meeting separately.

Set-up badges are available at the meeting registration prior to the Exhibit Hall opening for appointed contractors and staff entering the Exhibit Hall during set-up and dismantling times.

Balloons

The use of balloons as part of the exhibit display or as a giveaway is prohibited.

Booth Design

Inline and corner spaces

Standard in-line and corner booth spaces are 10 feet wide, 10 feet deep, and 8 feet high. Side rails and counters are limited to 4 feet in height. Any obstructions in the front half of the booth cannot exceed the 4 foot height limit. The height for rear wall displays is 8 feet, which is allowed in the back half of the booth space. Corner booths are permitted to eliminate the outside draped side rail.

Island spaces

Each exhibit shall be installed as to not obstruct the view of, or interfere with the exhibits of others. The visual disadvantage created by an island should be no greater than that which would be caused by an in-line space. All display material, including

hanging signs, is restricted to 20' in height and a sufficient "see-through" or "walk-through" area with at least 40% visibility per side must be provided to avoid blocking the view of adjacent exhibits. Should a company's booth be designed in such a way that neighboring spaces are obstructed, the company will be asked to redesign their booth or relocate.

All island exhibit spaces 20' x 20' or larger must submit a booth layout for management and Fire Marshall approval by August 23, 2019. Plans can be submitted to Elaine McCubbin, VP, Meetings & Exhibitions at emccubbin@gi.org.

Booth Relocation

The Management of the American College of Gastroenterology reserves the right to alter the exhibit hall layout at any time. If previously assigned space is relocated, the exhibitor is given 15 days in which to accept the relocation or request a refund.

Cancellation and Reduction Policy

Notice of cancellation or reduction must be received in writing. A service fee of 25% of the total booth cost will apply to any cancellation or space reduction. No refunds will be issued to firms canceling if space cannot be resold or if the trade show floor does not sell out. There will be no refunds whatsoever for space cancelled after **March 16, 2019**. Reductions and cancellations will result in a loss of priority points.

Carpeting and Furniture Requirements

Carpeting is required and is the responsibility of the exhibiting company. The exhibitor may provide carpeting or rent carpeting through the Official Decorator. At 12:00 noon on Sunday, October 27, an inspection will be made of the Exhibit Hall and exhibits that do not have carpeting will be assigned to the Official Decorator for installation and cleaning prior to opening. Charges will be billed to the exhibitor.

Exhibitors are not permitted to carpet outside their booth area without prior permission from the American College of Gastroenterology.

Furniture is not provided with the booth space and is the sole responsibility of the exhibitor.

Catering Guidelines

Exhibitors are permitted to distribute food and beverages within their booth space. All catering items must be ordered through the Henry B. Gonzalez Convention Center (The RK Culinary Group). A menu selection and order form will be included in the Official Exhibitor Service Manual.

Company Descriptions and Logos

Exhibitors will be contacted with their booth confirmation and regarding submission of the company description, logo and contact information. Companies have until August 23rd to submit this information. The descriptions, logos and contact information will

be used in the Official Exhibit Guide distributed onsite during the meeting as well as in the online itinerary planner and the eventScribe® meeting app to assist attendees with navigating the Exhibit Hall.

Conduct of Exhibits

Interviews, demonstrations and the distribution of literature or samples must be made within the booth area assigned to the exhibitor. Canvassing or distributing of advertising matter outside the exhibitor's own booth will not be permitted.

Electrical or other mechanical apparatus must be muffled so noise does not interfere with other exhibitors. Use of microphones, television or other sound aspects of displays, compressed air, gases or other similar media must be confined to the booth area, may not interfere with other exhibitors and are subject to being prohibited by Management, which shall have absolute discretion in its judgment on such matters. Character of the exhibits is subject to approval of the College.

ACG reserves the right to determine the acceptability of applications for exhibit space. The products or services to be exhibited must be of professional or educational interest and related to the field of gastroenterology. The right is reserved to refuse applications of concerns not meeting standards required or expected, as well as the right to curtail exhibits or parts of exhibits that reflect against the character of the meeting. This applies to displays, literature, advertising novelties, souvenirs, conduct of persons, etc. The Management of the American College of Gastroenterology reserves the right to restrict at any time any exhibit deemed undesirable and the Management's decision must be accepted as final in any disagreement between exhibitors.

Exhibit Services / EAC Requirements

The College and Exhibit Management (including exhibit managers, decorators, etc.) make every effort to accommodate exhibitors who prefer to use the services of subcontractors with whom the exhibitor contracts or assigns certain duties. However, it is the Exhibit Management's responsibility to ensure that the Exhibit Hall opens on time and that all regulations are observed. Therefore, the exhibitor acknowledges and assigns to the Exhibit Management the right and discretion to undertake any activities or services, on behalf of the exhibitor and at the exhibitor's expense, which the Exhibit Management believes are needed to meet these requirements, if those activities or services have not been timely provided by the exhibitor or by any subcontractor designated by the exhibitor.

Exhibitor agrees to be financially responsible for any debts incurred either by himself, by his subcontractor(s), or by Exhibit Management on his behalf, both generally and under the specific circumstances noted above. The exhibitor specifically agrees to indemnify the College, exhibition management and their agents and to hold them harmless in any dispute over fees. In the event that a subcontractor fails to make payment to the College, Exhibit Management or any

agent of either for any costs incurred on the exhibitor's behalf, for whatever reason—including bankruptcy of the subcontractor, or payment dispute—exhibitor agrees that such fees are his direct responsibility. Nothing included above shall constitute an obligation upon the College, or Exhibit Management or their agents to arrange for or otherwise provide any activities and services normally the obligation of the exhibitor, and not specifically provided for elsewhere in this Agreement.

Exhibitor designated contractors must carry their own insurance to cover exhibit material against damage and loss, as well as public liability insurance of at least \$1 million per occurrence and \$1 million aggregate against injury to the person and property of others. A certificate of insurance naming the American College of Gastroenterology as additional insured must be received at least 30 days prior to the Exhibit Hall opening.

Exhibitor Service Kit

A complete Official Exhibitor Service Kit from the Official Decorator will be available in July 2019. A link to the Kit will be available on the ACG 2019 meeting website and will be emailed to each exhibitor.

FDA Guidelines

The FDA imposes rules and regulations on some of the products exhibited at healthcare meetings. It is the exhibitor's responsibility to understand and follow the FDA rules and regulations. Specific information may be obtained from the FDA.

Fire Regulations

All materials used in the Exhibit Hall must be flame proofed and fire resistant in order to conform to the local fire ordinances and in accordance with regulations established by the local Fire Department. Crepe paper or corrugated paper, flame proofed or otherwise, will not be permitted. Excelsior or other paper is not to be used in crating merchandise.

Display racks, signs, spotlights and special equipment must be approved before usage, and all displays are subject to inspection by the Fire Prevention Bureau. Any exhibits or parts thereof found not to be fireproof may be dismantled. All aisles and exits must be kept clear at all times, and fire stations and fire extinguisher equipment are not to be covered or obstructed.

Giveaways and Promotional Items

The American College of Gastroenterology requires approval for giveaways. A giveaway approval form will be included in the Official Exhibitor Kit. All exhibitors planning to give away products, novelties, souvenirs or any other item other than company literature are required to complete the form.

Hospitality Suites

Only those companies participating in the commercial exhibit program will be allowed to conduct hospitality suites in San Antonio. Suites are limited to hospitality and may not be used to display products or services. These hospitality suites may not

be open or advertised to be open at times that conflict with official functions of the College such as scientific sessions or College sponsored social functions (including exhibits).

Independence of ACG CME Education in Accordance with ACCME Requirements

The ACG and the exhibiting company agree to the following conditions:

- ▶ **Arrangements for commercial exhibits** or advertisements cannot influence planning or interfere with the presentation, nor can they be a condition of the provision of commercial support for CME activities.
- ▶ **Product-promotion** material or product-specific advertisement of any type is prohibited in or during CME activities. Live (staffed exhibits, presentations) or enduring (printed or electronic advertisements) promotional activities must be kept separate from CME activities.

- ▶ **ACG and the exhibiting companies agree** to abide by all of the requirements of ACCME's Standards for Commercial Support of Continuing Medical Education.

Interpretation

Exhibitors agree to comply with all subsequent reasonable rules adopted or changed by the College. Any changes will be provided to exhibitors in writing.

Liability and Insurance

Exhibitor assumes entire responsibility and hereby agrees to protect, indemnify, defend and hold the American College of Gastroenterology, and their employees and agents harmless against all claims or fines and attorney's fees arising out of or caused by Exhibitor's installation, removal, maintenance, occupancy or use of the exhibition premises or a part thereof, excluding any such liability caused by the sole negligence of the American College of Gastroenterology, the Henry B. Gonzalez Convention Center, their employees and agents.

The exhibitor agrees that if outside contractors do not perform labor services in a reasonable period of time, the Official Contractor will provide for labor services and the exhibitor will be invoiced accordingly.

Exhibitor designated contractors must carry their own insurance to cover exhibit material against damage and loss, as well as public liability insurance of at least \$1 million per occurrence and \$1 million aggregate against injury to the person and property of others.
