ACG 2021

ANNUAL SCIENTIFIC MEETING & POSTGRADUATE COURSE

is being planned as a hybrid conference,

with attendees having the option of registering to attend in-person in Las Vegas, virtually via the online platform, or both. The in-person meeting will take place October 22-27 at the Mandalay Bay in Las Vegas, with appropriate safety protocols in place. Virtual access to the sessions will begin on October 22 and will be available to both in-person and virtual attendees on the conference platform until March 31, 2022.

- **In-person attendees** will have access to everything you expect at live ACG conferences as well as access to the sessions on the virtual conference platform based on your registration.
- **Virtual attendees** will have access to the livestreamed sessions during the conference dates and remaining sessions on-demand following the conference based on your registration.
- **All attendees** will have access to presentation handouts, slides, and on-demand content on the platform (based on course registration) until March 31, 2022; handouts and slides will remain available on the mobile app after that date.

NOTE: Registration for in-person attendance may be limited due to COVID-19 restrictions. We encourage you to register early if you plan to join us in Las Vegas, as in-person spots may sell out.

GI FELLOWS-IN-TRAINING

events

! These sessions are available for in-person attendees only

GI JEOPARDY: BUZZ IN FOR YOUR TRAINING PROGRAM

Saturday, October 23, 2021 | 5:30 pm - 7:00 pm

ACG's favorite quiz show, GI Jeopardy, is back! Contestants are all current Fellows-in-Training, but all are welcome to attend the competitive final round, a spirited GI version of the television classic. Watch this year's teams as they match wits and compete for the chance to bring home the coveted GI Jeopardy trophy. This competition begins in July with a preliminary round open to all North American GI training programs. Groups of fellows take an online test on a variety of GI topics and diseases. The top five scoring programs are then invited to send two-person teams to compete in front of a live audience at ACG 2021.

TRAINEES LUNCH SESSION: GASTROENTEROLOGY BEYOND THE CLINIC

Sunday, October 24, 2021 | 12:40 pm - 1:40 pm

Enjoy a special luncheon session reconnecting with colleagues and interacting directly with our panel of ACG leaders as they discuss exciting and fulfilling ways to enhance a gastroenterologist's clinical career including: community, mentorship, and committee involvement as well as diversity, and legislative and advocacy efforts. Don't delay as this luncheon sells out every year.

This luncheon is available in-person to all trainees in gastroenterology and hepatology, and has a fee of \$25. To register, please visit the ACG 2021 registration page at acgmeetings/gi.org/meeting-info/registration.

ENDOTITANS HANDS-ON CHALLENGE

Sunday, October 24, 2021 | 5:00 pm - 7:00 pm

The EndoTitans Challenge is back! Join us in the Hands-On Workshop area of the Exhibit Hall to cheer on the competitors. Winners will take home both bragging rights and a travel grant for ACG 2022.

HANDS-ON ENDOSCOPY WORKSHOP CENTER: TRAINEE-ONLY SESSIONS

Monday, October 25, 2021 | 7:45 am - 9:30 am

The always-popular FREE Hands-On Workshop Center sessions will again be offered in the Exhibit Hall. Expert faculty will demonstrate techniques and devices. Attendees will then have an opportunity to practice using the equipment. Each session will feature a wide variety of equipment and products. Pre-registration for these trainee-only sessions is required. Trainees are also welcome to participate in any of the hands-on sessions being offered on Sunday - Tuesday.

HOW TO GET PUBLISHED: AN ACG JOURNAL EDITORS ROUNDTABLE

Monday, October 25, 2021 | 3:45 pm - 4:45 pm

ACG's journal editors frequently receive questions about how best to get published, how they assess submissions, and how to best format a manuscript. In this session, the editors reveal answers to the "Top 10 Questions" they receive about the publication process and share pearls of wisdom about what works—and what doesn't—when submitting papers for publication. If you want to start or improve your publishing career, then don't miss this valuable opportunity to hear directly from the editors who are eager to help! This session is free and open to all in-person attendees.

ACCREDITATION

Information

ACG COURSE ACCREDITATION INFORMATION

The American College of Gastroenterology is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

The American College of Gastroenterology designates these other activities (blended learning) for a maximum number of *AMA PRA Category 1 Credits™* as noted below. Physicians should claim only the credit commensurate with the extent of their participation in the activities.

Successful completion of these CME activities, which includes participation in the evaluation component, enables the participant to earn Medical Knowledge MOC points in the American Board of Internal Medicine's (ABIM) and MOC points in the American Board of Pediatrics' (ABP) Maintenance of Certification (MOC) programs. Participants will earn MOC points equivalent to the amount of CME credits claimed for each activity. It is the CME activity provider's responsibility to submit participant completion information to ACCME for the purpose of granting ABIM and ABP MOC credit.

COURSE	CME CREDITS	ABIM MEDICAL KNOWLEDGE / ABP MOC POINTS

ASGE ENDOSCOPY COURSE ACCREDITATION INFORMATION

The American Society for Gastrointestinal Endoscopy (ASGE) is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

ASGE designates this live activity for a maximum of 7.5 *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn up to 7.5 Medical Knowledge MOC points in the American Board of Internal Medicine's (ABIM) Maintenance of Certification (MOC) program. Participants will earn MOC points equivalent to the amount of CME credits claimed for the activity. It is the CME activity provider's responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC credit.

REGISTRATION FEES

OPENING RECEPTION

Join colleagues at the largest social event of the conference on Sunday, October 24, from 5:15 pm – 7:00 pm.

HANDS-ON ENDOSCOPY WORKSHOP CENTER

THE ENDOTITANS CHALLENGE

EXHIBIT HALL PRODUCT THEATER PRESENTATIONS

Provided by ACG exhibitors and open to all attendees.

POSTER SESSIONS: IN-PERSON AND VIRTUAL

View the latest in clinical research with the ACG 2021 poster sessions. Colleagues will share their latest research as well as interesting cases/clinical vignettes. Browse and visit with authors during the Exhibit Hall Opening Reception on Sunday, and the lunch breaks on Monday and Tuesday. In addition, both in-person and virtual attendees will have access to the virtual ePoster Hall during and after the meeting. ACG's ePoster Hall allows poster authors to share their research and interesting clinical cases virtually, and visitors can submit questions directly to them.

NEW THIS YEAR

In addition to the in-person Exhibit Hall in Las Vegas, ACG 2021 is adding a Virtual Exhibit Hall component with new, dynamic features designed to enhance your experience, whether it's in-person or online-only! All attendees will have access to the Virtual Exhibit Hall on the Conference Platform until March 31, 2022. Stay tuned for more information in the coming months.
