## ANNUAL SCIENTIFIC MEETING & POSTGRADUATE COURSE

*Everything You Love About ACG and More*

**FOR THE FIRST TIME, ACG IS OFFERING A HYBRID CONFERENCE WITH OPPORTUNITIES FOR ATTENDEES AND EXHIBITORS TO PARTICIPATE BOTH IN-PERSON IN LAS VEGAS AND ONLINE THROUGH OUR ACG 2021 VIRTUAL CONFERENCE PLATFORM.** Education will be live streamed to virtual attendees; scientific posters will be available to view live in Las Vegas and digitally on the conference platform and exhibitors will have the opportunity to interact with attendees in their physical booth and within their virtual space. ACG is a recognized leader in educating GI professionals and the general public about digestive disorders and our Annual Scientific Meeting and Postgraduate Course is considered the premier GI clinical event of the year. It offers GI physicians the opportunity to network with peers, share experiences from their practices, learn the

latest clinical information on key GI topics, and see the latest advances in gastrointestinal technology and therapeutics throughout the Exhibit Hall. We are thrilled to be able to expand our conference and reach a larger audience than ever before.

We understand safety is top of mind when considering the return to live events. The American College of Gastroenterology is committed to providing the highest safety standards for all attendees, exhibitors, staff, and vendors during ACG 2021 in Las Vegas. We are consistently monitoring regulations, guidelines, and best practices so we can safely meet again in person. ACG is working closely with Mandalay Bay, our decorator, Freeman and others to ensure we are keeping up to date on all recommendations. We will continue to update exhibitors throughout the year on developments.

## EndoTitans

**\$15,000**

The EndoTitans Challenge will be an opportunity for fellows to demonstrate both their knowledge and technical abilities in endoscopy. The challenge will begin in August with a preliminary knowledge round open to all second- and third-year fellows. The top scoring fellows from each year will then be invited to participate in a skills challenge. Winners will take home both bragging rights and a travel grant for ACG 2022. As the sponsor, your logo will be printed on signage at the event as well as on the shirts players and referees will be wearing during the competition. Acknowledgement of your support will also be included in the Final Program, Meeting News and on the ACG 2021 meeting website.

## Exhibit Hall Opening Reception

**\$65,000 (can be co-sponsored by up to 6 companies)**

The Exhibit Hall Opening Reception is the largest social event offered during ACG 2021. It's a "can't miss" event that provides a great networking opportunity for attendees and exhibitors. The Reception will be held on Sunday, October 24 in the ACG 2021 Exhibit Hall immediately following the conclusion of the Postgraduate Course. As one of the sponsors, one or more of the food and beverage stations will be placed in close proximity to your booth, if space allows. In addition to the standard sponsor recognition, you will also receive recognition on signage at the reception. The minimum sponsorship for this event is \$10,000.

## Exhibitor Product Theater

**\$30,000 per session - Renewals Pending**

Showcase your new product or service on the Exhibit Hall floor! Held on Sunday, Monday, and Tuesday in the Exhibit Hall, the theater seats 100 and basic A/V (projector, screen, microphone, laptop, and a technician) will be provided. Sponsors can also reach both virtual and live attendees that missed the live program by recording and posting their presentation to the ACG 2021 Virtual Conference Platform through March 31, 2022.

Virtual Exhibitor Product Theater opportunities are also available. Present your program live online to both live and virtual attendees via the ACG 2021 Virtual Conference Platform. The virtual Exhibitor Product Theaters may also be recorded and available on demand through March 31, 2022 for an additional fee.

Food and beverage are the responsibility of the sponsor and may be ordered through Mandalay Bay.

Both live and virtual programs will be listed on the ACG 2021 meeting website and online itinerary planner. The College will also list the event in the Final Program, as well as in the Meeting News. The deadline to be listed in the printed materials is **August 6, 2021**.

Keep the traffic flowing to your booth (live and virtually!) by participating in the Exhibit Hall Scavenger Hunt. The Scavenger Hunt is a gamification feature in the meeting app/Virtual Conference Platform, which attendees depend on to access their itinerary, speaker slides, exhibitor details, abstracts, and more. While playing the Scavenger Hunt, attendees will visit your booth (either physically or virtually), scan a QR code and answer a multiple-choice question that you provide. Questions can be associated with your company, product, or general gastroenterology knowledge. Attendees will receive points if the question is answered correctly while an incorrect response requires them to re-scan and try again.

Top players will receive prizes from the ACG. You may also donate prizes to encourage participation. ACG will support the Exhibit Hall Scavenger Hunt through signage in high traffic areas of the Convention Center, an ad in the ACG 2021 Meeting News and within the Virtual Conference Platform. Sponsorship must be confirmed by August 30, 2021.

## COVID SAFETY PROCEDURES

We understand safety is top of mind when considering the return to live events. The American College of Gastroenterology is committed to providing the highest safety standards for all attendees, exhibitors, staff, and vendors while maximizing opportunities for engagement and education during ACG 2021. We are consistently monitoring guidelines and best practices so we can safely meet again in person. ACG is working closely with Mandalay Bay, our decorator, Freeman, and others to ensure we are keeping up to date on all safety recommendations. While things will most certainly change between now and October, the following guidelines are under consideration:

- Limiting number of attendees on exhibit hall floor at one time
- Hand sanitizing stations located throughout the exhibit hall
- One-way aisles throughout the exhibit hall
- Face masks required for all exhibitors, attendees, staff, and vendors
- Strong recommendation of vaccination
- Daily temperature checks

We also encourage exhibitors to keep safety top of mind while designing your booth space for ACG 2021.

- Design your space using materials that are easily disinfected and plan to disinfect frequently
- Design your exhibit so your staff and attendees can easily maintain a 6' distance while interacting

All matters and questions not specifically covered by these Rules and Regulations are subject to the decision of the American College of Gastroenterology.

Exhibitors agree to comply with all subsequent reasonable rules adopted or changed by the College. Any changes will be provided to exhibitors in writing.

## Advertising

The American College of Gastroenterology must approve any use of the ACG logo, ACG 2021 meeting logo, taglines, trademarks, or trade names prior to any exhibitor use. The ACG must approve the language in any advertisement which mentions the American College of Gastroenterology. Please contact Elaine McCubbin at [emccubbin@gi.org](mailto:emccubbin@gi.org) for additional information.

## Americans with Disabilities Act

In compliance with the Americans with Disabilities Act, the ACG will make all reasonable efforts to accommodate persons with disabilities. Please contact ACG's VP, Meetings & Exhibitions, Elaine McCubbin at [emccubbin@gi.org](mailto:emccubbin@gi.org), no later than August 20, 2021, to make arrangements. Exhibitors are responsible for complying with the ADA requirements within their assigned booth space.

## Assignment of Booth Space

Booth space will be assigned on a point system to establish priority as follows: 3 points for exhibiting plus 1 point for each additional 100 square feet over the initial 100 square feet up to a maximum of 6 points per year. Additional points may be earned by increasing booth space from one year to the next and by exhibiting at ACG Regional Courses. An exhibitor's point standing, and the complete priority point policy are available upon request. Space assignments will be made starting in March 2021.

The College reserves the right to make variations in the established priority system and /or relocate previously assigned space. If previously assigned space is relocated, the exhibitor is given 15 days to accept the relocation or request a refund. The Management of the American College of Gastroenterology also reserves the right to alter the exhibit layout at any time.

## Badge Requests

Exhibitors may request an unlimited number of Exhibit Hall passes at no charge to their company. These badges will only allow company representatives onto the trade show floor. Any exhibitor who wants to attend the scientific sessions must register for the meeting separately.

Set-up badges are available at the meeting registration prior to the Exhibit Hall opening for appointed contractors and staff entering the Exhibit Hall during setup and dismantling times.

## Balloons

The use of balloons as part of the exhibit display or as a giveaway is prohibited.

## Booth Design

### Inline and corner spaces

Standard in-line and corner booth spaces are 10 feet wide, 10 feet deep, and 8 feet high. Side rails and counters are limited to 4 feet in height. Any obstructions in the front half of the booth cannot exceed the 4-foot height limit. The height for rear wall displays is 8 feet, which is allowed in the back half of the booth space. Corner booths are permitted to eliminate the outside draped side rail.

### Island spaces

Each exhibit shall be installed as to not obstruct the view of or interfere with the exhibits of others. The visual disadvantage created by an island should be no greater than that which would be caused by an in-line space. All display material, including hanging signs, is

restricted to 20' in height and a sufficient "see-through" or "walk-through" area with at least 40% visibility per side must be provided to avoid blocking the view of adjacent exhibits. Should a company's booth be designed in such a way that neighboring spaces are obstructed, the company will be asked to redesign their booth or relocate. All associated fees will be the responsibility of the exhibitor.

All island exhibit spaces 20' x 20' or larger must submit a booth layout for management and Fire Marshall approval by August 20, 2021. Plans can be submitted to Elaine McCubbin, VP, Meetings & Exhibitions at [emccubbin@gi.org](mailto:emccubbin@gi.org).

## Booth Relocation

The Management of the American College of Gastroenterology reserves the right to alter the exhibit hall layout at any time. If previously assigned space is relocated, the exhibitor is given 15 days in which to accept the relocation or request a refund.

## Cancellation and Reduction Policy

For physical booth spaces in Las Vegas - Notice of cancellation or reduction must be received in writing. A service fee of 25% of the total booth cost will apply to any cancellation or space reduction. No refunds will be issued to firms canceling if space cannot be resold or if the trade show floor does not sell out. There will be no refunds whatsoever for space cancelled after **May 7, 2021**. Reductions and cancellations will result in a loss of priority points.

Virtual booth spaces are non-refundable after application submission. If a company has added on a virtual exhibit space to their live booth space and subsequently cancels their live booth space, they will be responsible for the full price of the virtual booth space.

## Carpeting and Furniture Requirements

Carpeting is required and is the responsibility of the exhibiting company. The exhibitor may provide carpeting or rent carpeting through the Official Decorator. At 12:00 noon on Sunday, October 24 an inspection will be made of the Exhibit Hall and exhibits that do not have carpeting will be assigned to the Official Decorator for installation and cleaning prior to opening. Charges will be billed to the exhibitor.

Exhibitors are not permitted to carpet outside their booth area without prior permission from the American College of Gastroenterology.

Furniture is not provided with the booth space and is the sole responsibility of the exhibitor.

## Catering Guidelines

Exhibitors are permitted to distribute food and beverages within their booth space. All catering items must be ordered through Mandalay Bay. A menu selection and order form will be included in the Official Exhibitor Service Manual.

Interviews, demonstrations and the distribution of literature or samples must be made within the booth area assigned to the exhibitor. Canvassing or distributing of advertising matter outside the exhibitor's own booth will not be permitted. Electrical or other mechanical apparatus must be muffled so noise does not interfere with other exhibitors. Use of microphones, television or other sound aspects of displays, compressed air, gases, or other similar media

must be confined to the booth area, may not interfere with other exhibitors and are subject to being prohibited by Management, which shall have absolute discretion in its judgment on such matters. Character of the exhibits is subject to approval of the College.

Management's decision must be accepted as final in any disagreement between exhibitors.

### **Exhibit Services / EAC Requirements**

The College and Exhibit Management (including exhibit managers, decorators, etc.) make every effort to accommodate exhibitors who prefer to use the services of subcontractors with whom the exhibitor contracts or assigns certain duties. However, it is the Exhibit Management's responsibility to ensure that the Exhibit Hall opens on time and that all regulations are observed. Therefore, the exhibitor acknowledges and assigns to the Exhibit Management the right and discretion to undertake any activities or services, on behalf of the exhibitor and at the exhibitor's expense, which the Exhibit Management believes are needed to meet these requirements, if those activities or services have not been timely provided by the exhibitor or by any subcontractor designated by the exhibitor.

Exhibitor agrees to be financially responsible for any debts incurred either by himself, by his subcontractor(s), or by Exhibit Management on his behalf, both generally and under the specific circumstances noted above.
