

Share your unique case or case series with colleagues by submitting a video abstract to the 11th Annual Endoscopy Video Forum at the ACG 2023 Annual Meeting in Vancouver, Canada.

Held on Monday afternoon, October 23, 2023, this 75-minute session will focus on endoscopy techniques, challenging, unusual or unique cases, and cases in the area of GI endoscopy. All submitted videos will be considered for oral presentation during this special video symposium.

Submissions should be a case or a case series and should be no longer than 5 minutes in length and must also include a written abstract describing the video content. Authors of videos accepted for this session will narrate and present their video live and will have 2 minutes to answer questions from the judges and the audience. The audience, along with the judges, will vote to select the best video of the ACG 2023 Annual Meeting. The presenter of the winning video will receive a certificate of recognition.

Authors of videos that are accepted but not selected for oral presentation during the session will be invited to present a poster in the exhibit hall. The poster should be based on the video and the narrative abstract originally submitted to ACG. Authors are required to stand with their poster during

the designated 60-75-minute period on the day of display, in order to talk about their work and answer any questions of the attendees viewing the posters. All poster authors will also be considered for recognition as Outstanding Poster Presenters (see Abstract Awards for details).

All videos accepted to the meeting, either for the oral session or poster presentation, will be played in the exhibit hall on a monitor located near either the poster area or the hands-on endoscopy area, depending on available space at each year's meeting.

In addition to the requirements listed here, video abstracts must also comply with all of the general abstracts submission requirements such as providing a narrative abstract, disclosure of financial relationships, abstract publication, and acceptance notification.

Complete instructions are available on the abstract submission site, bit.ly/ACG2023-Abstracts
2023 abstract submission period: March 6 - June 5, 2023

Video Abstracts—General Information

- **Videos that highlight** unusual or challenging cases and those demonstrating novel techniques in the field of gastrointestinal endoscopy will be considered for oral presentation.
- **Video submissions should focus on** enhancing physician education and not patient education.
- **Both an abstract narrative that details the case(s) and a video must be submitted.** The submitted narrative should follow the instructions for a clinical vignette/case report abstract (see full abstract instructions).
- **Videos must be submitted online.**
- **Abstracts will not be considered if they have been accepted and presented in any format at any U.S.-based national, educational meeting before the ACG meeting. This includes AASLD and DDW.** Abstracts submitted or presented at local gut clubs or state society meetings may be submitted, as may any work that will not be published and indexed in a peer-reviewed journal before the ACG meeting (i.e., before Friday, October 20, 2023).
- **No changes to the video (image or audio) can be made after the submission deadline** and/or after the video has been accepted for oral or poster presentation.
- **All submitted abstracts** are subject to a blinded review process. In addition, videos submitted for the Annual Endoscopy Video Forum will be evaluated for content and audiovisual quality.
- **Some videos may be selected for poster presentation.** In addition to the author displaying a printed poster about the video and providing a digital version of the poster for the ePoster site, video abstracts selected for poster presentation may also be viewed on a monitor in the poster area.
- **Disclosures of Financial Relationships:** Authors must complete the online disclosure forms, indicating details of

support any authors may have received or financial relationships any authors may have with an ineligible company*. Disclosure information is required for each author. Refusal to disclose financial relationships for any author(s) will result in disqualification of the author(s) from participation in this activity.

- **In accordance with ACG and ACCME guidelines,** the presenting author may not be an employee of an ineligible company* (applies to abstracts accepted for oral presentation only, not to poster presentations).

**The ACCME defines an "ineligible company" (formerly known as a "commercial interest") as any entity whose primary business is producing, marketing, selling, re-selling, or distributing healthcare products used by or on patients.*

- **Copyright must be assigned to the ACG** by all authors.

Video File Requirements

- **Videos must not be longer than 5 minutes.**
- **File size may not exceed 500 MB.**
- **Only video files in .mov or .mp4 formats will be accepted.**

Video Production Requirements

- **Audio narration in English must be included** in the production for review purposes. (If accepted for oral presentation, the presenting author will be required to provide narration, as the audio portion will not be played during the presentation.)
- **Videos may not contain background music** during the narrative or the endoscopic video footage.
- **Author disclosures should NOT be included in the video.** This information will be provided to learners by the ACG based on information provided during the abstract submission process.
- **Per ACG and ACCME guidelines,** no video may contain any advertising, corporate logo, trade name, or product-group message of an ACCME-defined ineligible company*.

- **Commercial support for the production of the video may be acknowledged** with a single sentence recognizing the company and/or organization providing the support.
- **Videos must be HIPAA compliant** (Health Insurance Portability and Accountability Act of 1996) and therefore cannot contain any patient identification information, physician names, medical record numbers, etc. (Visit hhs.gov/hipaa for more information.)
- **The video may not contain any copyrighted information** (images, videos, photos, etc.) without written consent from the original source of the copyrighted work. Please email education@gi.org for more information if any portion of your video is not the original work of the authors.

Oral Presentation at the Endoscopy Video Forum

- **Presenting authors MUST register for and attend the ACG 2023 Annual Scientific Meeting in Vancouver.** Failure to meet this obligation may result in the author being banned from future abstract consideration.
- **Videos that are selected for oral presentation must be narrated by an author who speaks and understands English well enough** to ensure satisfactory understanding by the audience. The audio portion will not be played during the presentation to the audience.
- **Presenting authors will have 5 minutes to present their video.** Up to 2 minutes of additional time will be provided for Q & A with the judges as well as the audience.
- **After all videos have been presented, the judges and the audience will vote** to select the best video, and the presenter of the winning video will receive a certificate of recognition.
- **Videos selected for presentation** during the Annual Endoscopy Video Forum may also be posted on the ACG Education Universe website following the meeting.
